

Frost & Sullivan Honors Indonesian Industry Leaders at the 2014 Frost & Sullivan Indonesia Excellence Awards

Jakarta, March 26th, 2014 - Frost & Sullivan today recognized exemplary corporations within the Indonesia's Facilities Management, and Automotive industries at the **2014 Frost & Sullivan Indonesia Excellence Awards** banquet.

Each year, Frost & Sullivan presents The Frost & Sullivan Indonesia Excellence Awards to the company that has demonstrated outstanding achievement and superior performance in areas such as leadership, technological innovation, customer service, and strategic product development.

"We are extremely proud and happy to host the 7th annual Indonesia Excellence Awards to celebrate best practices in Indonesian companies. I am confident that the Award recipients will put Indonesian companies on the global map of Excellence," said Eugene Van De Weerd, Country Director, Frost & Sullivan Indonesia, in his welcoming speech.

Eugene van de Weerd also explained that the nominees are evaluated on a variety of actual market performance indicators which include revenue growth; market share and growth in market share; leadership in product innovation; marketing strategy and business development strategy.

A total of 3 awards were presented to leading organizations including well-known home-grown players as well as multinational corporations operating in the local space at the awards banquet.

The award winners include Colliers International in the Facilities Management sector and PT Garasindo Inter Global for Jeep Wrangler and Astra Otoparts in the Automotive sector.

Recipients of the 2014 Frost & Sullivan Indonesia Excellence Awards were selected by industry analysts by comparing market participants and measuring performance through in-depth interviews, analysis, and extensive secondary research.

Frost & Sullivan congratulates all the outstanding recipients of the **2014 Frost & Sullivan Indonesia Excellence Awards**.

About Frost & Sullivan

Frost & Sullivan, the Growth Partnership Company, works in collaboration with clients to leverage visionary innovation that addresses the global challenges and related growth opportunities that will make or break today's market participants.

Our “Growth Partnership” supports clients by addressing these opportunities and incorporating two key elements driving visionary innovation: The Integrated Value Proposition and The Partnership Infrastructure.

- **The Integrated Value Proposition** provides support to our clients throughout all phases of their journey to visionary innovation including: research, analysis, strategy, vision, innovation and implementation.
- **The Partnership Infrastructure** is entirely unique as it constructs the foundation upon which visionary innovation becomes possible. This includes our 360 degree research, comprehensive industry coverage, career best practices as well as our global footprint of more than 40 offices.

For more than 50 years, we have been developing growth strategies for the global 1000, emerging businesses, the public sector and the investment community. Is your organization prepared for the next profound wave of industry convergence, disruptive technologies, increasing competitive intensity, Mega Trends, breakthrough best practices, changing customer dynamics and emerging economies?
