

Frost & Sullivan Honors Leading Firms at the 2015 Japan Excellence Awards

~LAC, Panasonic, Hitachi, Fujitsu amongst companies recognized~

Tokyo, June 5, 2015 – Frost & Sullivan today honors Japan’s leading firms at the 2015 Frost & Sullivan Excellence Awards banquet, held at the Tokyo American Club.

Mr. Robin Joffe, Representative Director & President, Japan at Frost & Sullivan said that the Japan Excellence Awards seek to recognize companies for demonstrating outstanding achievement and superior performance.

“We are delighted to host the banquet for the 5th consecutive time in Tokyo. I am confident that the awards banquet will continue to be the most anticipated event of the year in Japan,” he added.

"The 2015 award recipients have clearly demonstrated outstanding commitment to their clients and leadership in their own market segments," Mr.Joffe said, adding that the award categories offered each year were carefully reviewed and evaluated to reflect the current market landscape and include new and emerging segments in Japan.

He also says that companies must learn from these industry best practices to remain competitive in today’s increasingly challenging marketplace.

The short-listed companies for the 2015 Frost & Sullivan Japan Excellence Awards were evaluated on a variety of actual market performance indicators which include revenue growth; market share and growth in market share; leadership in product innovation; marketing strategy and business development strategy.
