

Frost & Sullivan Announces Best-in-Class Companies in Japan for 2016 Japan Excellence Awards

2016 Japan Excellence Awards to be Presented at Annual Award Banquet on June 2, 2016

**This Press Release is updated from the press release wired on May 27th, with Cinemacraft Inc. that received 2016 Japan Online Video Platform Technology Innovation Leadership Award.*

Tokyo, May 27, 2016 – Frost & Sullivan today announced the final recipients of its annual 2016 Japan Excellence Awards on May 27 2016. This year's recipients will be honored during a reception to be organized on June 2nd, 2016 at Tokyo American Club.

Robin Joffe, Partner and President of Frost & Sullivan Japan, said that 2016 Japan Excellence Awards have identified and honored best-in-class companies that have demonstrated excellence in their respective market. "We are excited to host the annual Japan Excellence Award Banquet in Tokyo. We hope that the awards will continue to be an industry event to be looked forward to by companies based in Japan," Joffe said.

"Frost & Sullivan endeavors to identify and spotlight companies that have delivered excellence in their respective industries. We believe it is important to highlight industry best practices and honor those who have accomplished remarkable achievements. We hope that the recognitions will spur companies to share best practices and strive for greater heights as well as help them continue to do their best in growing their business," Joffe said.

The recipients of the 2016 Frost & Sullivan Japan Excellence Awards were selected based on in-depth research and a rigorous methodology conducted by Frost & Sullivan's analysts. The award categories offered each year are carefully reviewed and evaluated to reflect the current market landscape and include new emerging trends.

The short-listed companies for the 2016 Frost & Sullivan Japan Excellence Awards were evaluated on a variety of actual market performance indicators which include revenue growth; market share and growth in market share; leadership in product innovation; marketing strategy and business development strategy.

About Frost & Sullivan

Frost & Sullivan, the Growth Partnership Company, works in collaboration with clients to leverage visionary innovation that addresses the global challenges and related growth opportunities that will make or break today's market participants.

Our “Growth Partnership” supports clients by addressing these opportunities and incorporating two key elements driving visionary innovation: The Integrated Value Proposition and The Partnership Infrastructure.

- **The Integrated Value Proposition** provides support to our clients throughout all phases of their journey to visionary innovation including: research, analysis, strategy, vision, innovation and implementation.
- **The Partnership Infrastructure** is entirely unique as it constructs the foundation upon which visionary innovation becomes possible. This includes our 360 degree research, comprehensive industry coverage, career best practices as well as our global footprint of more than 40 offices.

F R O S T S U L L I V A N
