

Frost & Sullivan Recognizes Best-in-Class Companies in Japan for 2017 Japan Excellence Awards

Tokyo, June 22, 2017– Frost & Sullivan announced the recipients of its annual 2017 Japan Excellence Awards on June 22, 2017.

Robin Joffe, Partner and President of Frost & Sullivan Japan, said that 2017 Awards recipients have demonstrated excellence in their respective market. “We believe it is important to highlight best practices in respective market and honor those who have accomplished remarkable achievements.”

The recipients of the 2017 Frost & Sullivan Japan Excellence Awards were selected based on in-depth research and a rigorous methodology conducted by Frost & Sullivan's analysts. The award categories offered each year are carefully reviewed and evaluated to reflect the current market landscape and include new emerging trends.

The short-listed companies for the 2017 Frost & Sullivan Japan Excellence Awards were evaluated on a variety of actual market performance indicators which include revenue growth; market share and growth in market share; leadership in product innovation; marketing strategy and business development strategy.

About Frost & Sullivan

Frost & Sullivan, the Growth Partnership Company, works in collaboration with clients to leverage visionary innovation that addresses the global challenges and related growth opportunities that will make or break today's market participants.

Our "Growth Partnership" supports clients by addressing these opportunities and incorporating two key elements driving visionary innovation: The Integrated Value Proposition and The Partnership Infrastructure.

- ***The Integrated Value Proposition*** provides support to our clients throughout all phases of their journey to visionary innovation including: research, analysis, strategy, vision, innovation and implementation.
- ***The Partnership Infrastructure*** is entirely unique as it constructs the foundation upon which visionary innovation becomes possible. This includes our 360 degree research, comprehensive industry coverage, career best practices as well as our global footprint of more than 40 offices.

For more than 50 years, we have been developing growth strategies for the global 1000, emerging businesses, the public sector and the investment community. Is your organization prepared for the next profound wave of industry convergence, disruptive technologies, increasing competitive intensity, Mega Trends, breakthrough best practices, changing customer dynamics and emerging economies?
