

Korea's Best Recognized at 2013 Frost & Sullivan Korea Excellence Awards

Seoul, South Korea, 27 June 2013 - Frost & Sullivan today honoured and recognized Korea's best at the 2013 Frost & Sullivan Korea Excellence Awards banquet, held on Thursday, 27 June 2013 at the 63 Convention Center

Now in its second year, the 2013 Korea Excellence Awards aim to recognize companies that have demonstrated outstanding achievement and superior performance in areas such as leadership, technological innovation, customer service and strategic product development.

"The Frost & Sullivan Korea Excellence Awards seeks to recognize companies that have pushed the boundaries of excellence - rising above the competition and demonstrating outstanding performance and driving innovation in the Korea and Asia Pacific markets. We are extremely proud and happy to celebrate the outstanding achievements of Korean companies through this awards," said Mr. Hee Sang Koo, Country Head of Frost & Sullivan Korea .

Frost & Sullivan follows a rigorous measurement based methodology to select the recipients in each category. measurement parameters such as Revenue growth, Market share in specific category and growth in market share, Demonstrated leadership in new product introduction and innovation, Breadth of products and solutions, Breadth of products and solutions, Business/market strategy will be used in conducting the detailed study of each nominated company based on actual market performance indicators.

"Korean companies today stand out in global market of various industries, standing shoulder to shoulder with the world's greatest corporations. We hope that the Frost & Sullivan Korea Excellence Awards will motivate Korean companies to continuously achieve more outstanding excellence, not only in the Korean market, but also globally," said Mr. Koo.

Frost & Sullivan congratulates all the recipients of the 2013 Frost & Sullivan Korea Excellence Awards.
