

## Top Companies Honored at the 2015 Frost & Sullivan South Korea Excellence Awards

*~AhnLab, Ericsson-LG Enterprise, GNTel & ECS Telecom recognized~*

**Seoul, Sept 18, 2015** – South Korean’s top companies were yesterday evening honored at the 2015 Frost & Sullivan South Korea Excellence Awards banquet.

AhnLab, Ericsson-LG Enterprise, GNTel and ECS Telecom were amongst companies recognized.

Mr. Hee Sang Koo, Country Head of Frost & Sullivan South Korea said that for 4 years, the Frost & Sullivan South Korea Excellence Awards have identified and recognized best-in-class companies that demonstrated excellence in their respective industries.

“We hope that the recognitions will help South Korean firms to continue grow their business and spur further achievements locally and globally,” he added.

The 2015 South Korea Excellence Awards recognized best practices and outstanding performance by South Korean companies in different sectors such as ICT, environment & building, healthcare and logistics.

Award recipients were identified based on in-depth interviews, analysis, and extensive secondary research conducted by Frost & Sullivan's analysts. Companies are typically studied on their revenues, market share, capabilities, and overall contribution to the industry in order to identify best practices.
