

## **Frost & Sullivan Honors South Korea's Best Companies at the 2016 South Korea Excellence Awards**

**Seoul, June 28, 2016** – Frost & Sullivan today honored and recognized South Korea's best companies at the 2016 South Korea Excellence Awards banquet.

AhnLab received the Industrial Control Systems Security Technology Innovation award while ECS Telecom was honored with the Unified Communications System Integrator of the Year.

Mr. Hee Sang Koo, Country Head of Frost & Sullivan South Korea said that the South Korea Excellence Awards have identified and recognized best-in-class companies that demonstrated excellence in their respective industries.

"The recipients of the 2016 Frost & Sullivan South Korea Excellence Awards have clearly demonstrated outstanding leadership in their own market segments. We will continue to honor and recognize best-in-class companies in South Korea in the years to come," he added.
